

# Allegion Locksmith Partnership Program

*Banner Solutions is proud to bring its unique programs and benefits to the Allegion Locksmiths Partnership Program. Our staff, inventory, technologies and reporting enable our customers to take full advantage of the benefits of Allegion's program.*

## The Inventory You Need

Banner Solutions stocks all the Allegion Hardware that you need to maximize your benefit in the program. (See reverse for the Allegion line listing).

## Allegion Product Experts

Banner Solutions technical sales staff has decades of experience selling and supporting Allegion products.

Available: Mon-Fri, 6AM CST – 7PM CST

## Access Control Support

As locksmiths continue to implement more Access Control Solutions for their customers, Banner Solutions is ready to help source and implement Allegion's EAC products with our team of EAC pro's.

## Purchase Reporting

Banner Solutions reports all sales on qualifying products back to Allegion on behalf of all Allegion Locksmith Partner Program customers, making sure our customers take full advantage of the Allegion program.

## BannerSolutions.com

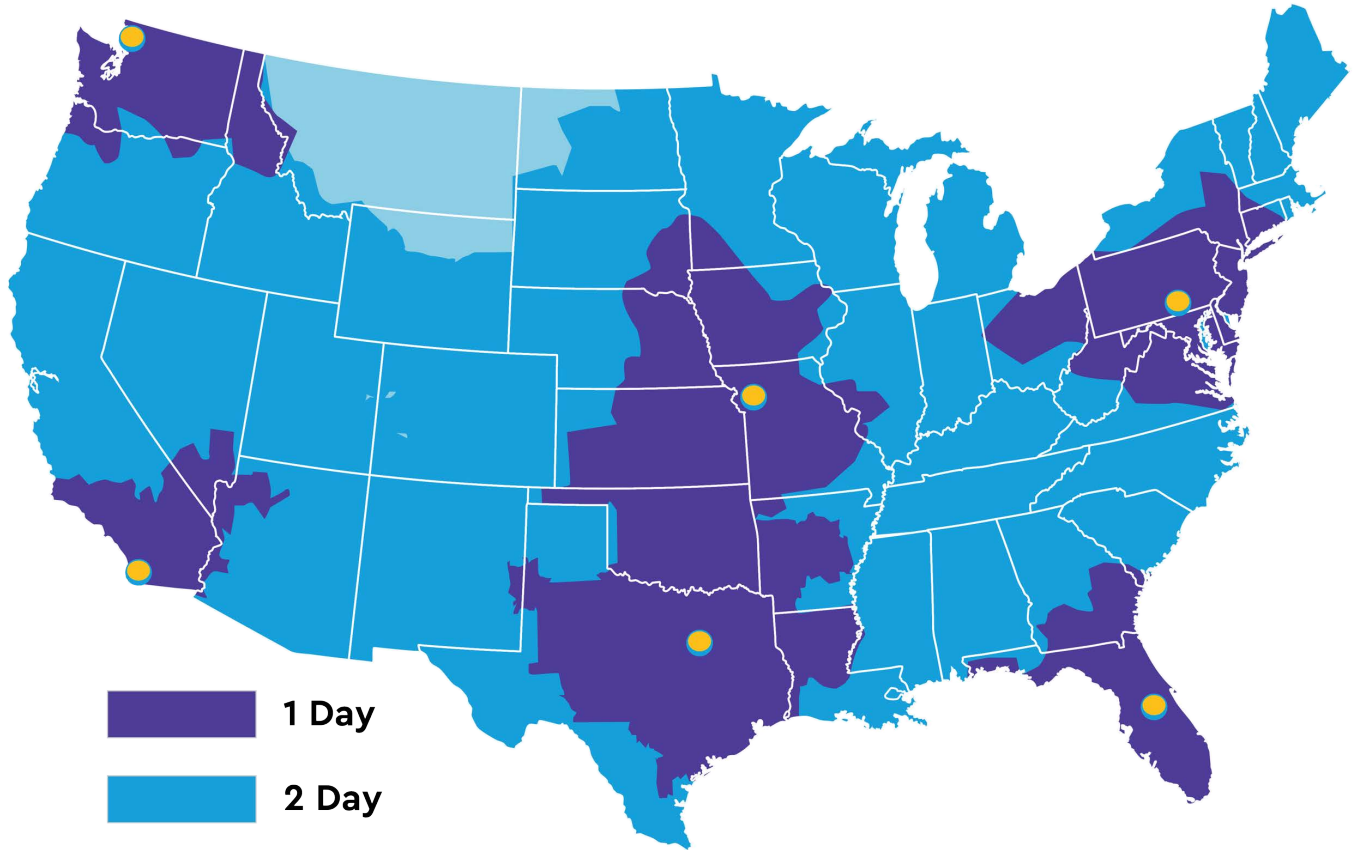

Our website offers the convenience of 24/7 price/availability, ordering, and account management. Find all the Allegion products you need, just a click away.

## Unmatched Network

Banner Solutions Distribution Facilities nationwide allow us to deliver products to 90% of the US population with 1-2 day service. No one has a more extensive network than Banner Solutions.

Distribution Network

Banner Solutions is proud to carry the Allegion Products that Locksmiths need.
